

REMARKS

Claims 1-10 are pending in the application. Claim 9 has been cancelled by this amendment. New claims 11 and 12 have been added to the application. Therefore, claims 1-8 and 10-12 are at issue.

This preliminary amendment adds no new matter. The specification has been amended to insert a cross reference to related applications. The claims have been amended to delete multiple dependencies and to improve the form of the claims. New claims 11 and 12 are supported by originally filed claim 8.

It is submitted that the claims are in a proper form and scope for allowance. An early and favorable action on the merits is respectfully requested.

Should the examiner wish to discuss the foregoing, or any matter of form in an effort to advance this application toward allowance, the examiner is urged to telephone the undersigned at the indicated number.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
